Curb Extensions

Additional topics to be discussed and included in Mobility Plan

- Residential Parking Permit around Cottage Hospital, Sansum and Schott Center;
- Lighting improvements on Junipero Bridge;
- Inclusion of more street trees on selected collector streets.
- Vernon Street signs to be bagged as an experiment once RV ordinance is enforceable.

Area Considered for RPP

Field Tests by Fire Trucks and MTD Busses

Petition Process

- We will need 65% approval of those residents, owners and businesses in the project area that have voted on the plan.
- Core group to facilitate the petition process.
- There will be a petition mailed to the neighborhood.
- The petition will also be available on the website.
